

Smooth and Convenient: Why Recurring Payments with Essex Mortgage Reigns Supreme

By: Nathan Sands

Managing mortgage payments can sometimes feel like juggling multiple balls at once. Remembering due dates, finding the time to pay, and ensuring funds are readily available can add unnecessary stress to your already busy life. At Essex Mortgage, we understand the importance of a stress-free payment experience, which is why we offer a variety of payment options to suit your needs. Among these options, recurring payments stand out as the cream of the crop. In this article, we'll delve into why recurring payments are the best option for handling your mortgage and why they outshine utilizing your bank's bill pay service.

A Plethora of Payment Options at Essex Mortgage

At Essex Mortgage, flexibility and convenience are at the core of our services. We offer several convenient payment methods to ensure you can manage your mortgage efficiently:

1. **Automatic Draft:** Say goodbye to the hassle of manual payments. With automatic draft, you can enroll in recurring payments, allowing Essex Mortgage to automatically deduct your monthly

payment from your bank account each month. Not only is this option free of charge, but you can set it up easily through your online customer portal.

2. One-time Payment Online: For those who prefer a bit more control, our self-service option allows you to make one-time payments online or set up recurring automatic drafting. The [online portal](#) is secure, ensuring the safety of your transactions.

3. Automated Phone Payment: If technology and the internet aren't your cup of tea, you can use our Interactive Voice Response system to make payments over the phone by calling (888) 892-0881.

4. Mail Payment: We accept personal checks, cashier's checks, and money orders. Just make sure to include your loan number on your mailed payment to ensure proper processing.

The Marvel of Recurring Autodraft Payments

Among these diverse options, recurring autodraft payments emerge as the superior choice, and for good reason. Setting up recurring autodraft payments is a breeze; simply visit our web portal at www.essexmortgage.com/myaccount and log in. Navigate to "Payment Options" and select "Auto Pay - Recurring Draft" to set up this seamless method. In the event of a payment change, you'll receive ample notice, and your auto-draft will automatically adjust to reflect the new amount.

The Advantages of Recurring Autodraft Payments

1. Punctual Payments: With recurring autodraft payments, you can rest assured that your monthly payment will be received by Essex Mortgage promptly each month. No more worrying about potential late fees or missed deadlines.

2. Worry-Free Updates: Life is full of changes, but managing payment updates doesn't have to be a headache. Automatic drafting takes care of any adjustments due to escrow or adjustable interest rate changes (if applicable), ensuring your payments stay on track.

3. Minimal Stress: Setting up recurring autodraft payments eliminates the stress of remembering due dates and manually initiating payments. It's like putting your mortgage on autopilot, allowing you to focus on other important aspects of your life.

Recurring Payments vs. Bank Bill Pay: The Winning Choice

You might be wondering why recurring payments through Essex Mortgage are superior to utilizing your bank's bill pay service. While bank bill pay can be convenient for certain bills, it falls short when it comes to the unique needs of mortgage payments.

Unlike bank bill pay, Essex Mortgage's recurring payments are specifically tailored for mortgages. They provide built-in flexibility for payment changes, automatic adjustments, and an intricate understanding of mortgage processes. With bank bill pay, you may encounter delays in payment processing, confusion with changing payment amounts, and potential complications in allocating funds to the appropriate mortgage account.

In conclusion, Essex Mortgage offers an array of convenient payment options, but recurring autodraft payments stand out as the ultimate choice. Seamlessly set up through our [online customer portal](#), recurring payments ensure punctual and stress-free payments, all while adapting to changes

in your mortgage. Say goodbye to bill payment worries and embrace the ease and convenience of recurring autodraft payments with Essex Mortgage. Trust us; your mortgage will thank you for it.
